RC Flightdeck lets you funnel online and manually registered pilots into the same database. With a few clicks you can have robust reports whenever you need them.

- Pilot check-in lists
- Full-detail CD lists of pilots, pilot data and aircraft
- Announcer sheets with aircraft and bios
- Aircraft lists with owner information
- Address labels
- Export all of it if you want to

SIMPLE, BUT POWERFUL, POSTING TOOLS.

THE BIG IDEA:
ONE NETWORK

- Slide-up panels give you bite-sized, topical sections that you can complete quickly and easily.
- Automatic mapping tools. Input the address and the map plots the location. GPS coordinates also.
- Classify your event so users can easily find it using our world-class search tools. Full AMA classification module with sanction back-up.
- Easily add contest directors and contacts using our automated roster, which saves every contact you enter for future use.

- When it's easy to register, you get more pilots signing up earlier and fewer last minute emergencies.
- With our "My Hangar" area, pilots simply check off which aircraft they are bringing to your event; your records are automatically updated!
- Your custom sign-up form ensure that you get the registration information you require for every event.
- Customize your sign-up form for each event.
- Include waiver information, membership data, judging school, freestyle, and many other attributes in your form with just a few checkboxes.

PUT RC FLIGHTDECK ON YOUR SITE!

- Customize the display
- Use for your organization's private events
- Copy & paste a snippet of code
- Takes 5 minutes
- Full calendar module
- Mini widget also

**JOIN THE 100'S OF SITES THAT ARE
CHANGING HOW WE DO FLYING EVENTS!**

IT'S FREE!

HERE'S WHAT TO DO:

EVENT HOSTS:

Visit www.RCFlightDeck.com and enroll your organization. It's quick and you can begin posting and managing your events immediately.

VENDORS:

Enroll your organization and upload your logo. If you want to host RC FlightDeck on your website like our other partners, you can also run (or sell) your own banners on the calendar module that appears on your site. Just follow the instructions after you enroll. No charge to you.

PILOTS

Find your favorite events and just sign up for them. You'll be automatically enrolled on the site! Then, upload your aircraft to your hangar and you can select from your list for any event you register for on RC FlightDeck.

RC-RELATED WEBSITES:

Put RCFlightDeck right on YOUR website. Under the MY FLIGHTDECK menu, select "Portable FlightDeck" to put the calendar on your website.

SPECIAL INTEREST GROUPS:

Contact us and we can help you determine how to best fit RC FlightDeck into your current process.
